#### ABOUT RISE UP! SUMMER SCHOOL:

The 3-month program will delve into CAGJ's campaign-related themes of African food sovereignty, Farmworker solidarity, and Northwest Native Resistance to GE Salmon through community discussions and site visits. Perspectives of people of color will be prioritized in the materials and discussions as we focus on anti-oppression and intersectional analysis. Members will have the opportunity to develop facilitation and organizing skills. We hope to create a safe space for newer activists to explore learning edges and rise up in leadership.

#### ABOUT COMMUNITY ALLIANCE FOR GLOBAL JUSTICE:

CAGJ educates and mobilizes to strengthen the global food sovereignty movement. CAGJ is grassroots, community-based and committed to anti-oppressive organizing as we build solidarity across diverse movements.
