Philanthropy is a product of capitalism that is meant to promote the welfare of others through donations of money to good causes. Does it really do this? Or is it a part of the engine of profit and control? Learn more about the impacts of philanthropy and how communities can be funded through social justice-driven models.

Panelists
Burke Stansbury - Social Justice Fund
Ruth Sawyer - Resource Generation
Solomé Lemma - Thousand Currents
Simone Adler - Community Alliance for Global Justice/ AGRA Watch
